

Driving Directions from Midway Airport

Take Cicero Avenue north to I-55. Enter I-55 south and continue for about 14 miles to Cass Avenue. Exit south on Cass and turn right at the Argonne sign on Northgate Road, immediately south of I-55. Follow Northgate Road to the Argonne Information Center.

Directions from O'Hare Airport

As you exit the airport, follow signs to Interstate 294 (Tri-State Tollway) south. Exit 294 after about 8 miles, onto Interstate 55 (Stevenson Expressway) going south. Be careful here, though, because there are actually two road splits before you're actually on the Stevenson heading south. Then, after a couple of exits, you'll see the Cass Ave. (Argonne National Laboratory) South exit and, shortly after the cloverleaf, there will be a vertical, ARGONNE sign at Northgate Road, where you will make a right turn. Proceed to the Main Gate.

For driving directions inside the laboratory, please refer to the Argonne Site Map.
